

Quality labels with all our plants

Our full-colour, large format plant labels pack a real punch as part of your retail display! Superb pictures and informative care instructions help to present the plants at their sparkling best, ensuring strong interest and healthy sales. To add even greater impact, we're able to supply colourful point-of-sale boards to support our range. Please call us for further details – we'll be delighted to tell you exactly what's available.

We're always happy to visit you, and to have the opportunity of showing you samples of our range.
